This release, waiver, and/or hold harmless agreement is given to the City of Paterson ("City"), a municipal corporation with offices at 155 Market Street, Paterson, by _____ ("Party"). Party agrees to add its' private security camera to the Paterson Police Department ("PPD") website in order that the PPD may conduct spot monitoring of the Party's property through the PPD video surveillance system. Party further agrees and understands that the PPD will not be responsible for conducting 24 hr. per day/7 day per week monitoring of the images from Party's private security camera but will rather conduct spot monitoring of Party's private video surveillance system. Party further understands and agrees that it is in no way entitled to any security measures in excess of the reasonable care provided by the PPD.

For and in consideration of adding the private security camera to the PPD website I, on behalf of my successors, heirs, business and legal representatives, expressly agree and acknowledge the following:

By adding my private video surveillance camera to the PPD website, I agree and understand that I am not entitled to any faster response times to calls made to the PPD. Moreover, the undersigned does hereby agree to indemnify and hold harmless the City, against any and all liability, claims, judgments, demands or expenses whatsoever, in conjunction with the loss of life, personal injuries and/or damage to property, arising out of or resulting in whole or in part the acts recorded on the surveillance camera.

I voluntarily assume any and all risks involved in or related to my participation, and will not hold the City liable for its failure to respond to a valid distress call at my place of business or residence in a faster manner just because the PPD is able to observe the images recorded on my private security cameras.

I agree that this release is intended to be as broad and inclusive as permitted by the laws of the State of New Jersey and that if any portion of this agreement is held to be invalid, I agree that the remainder shall continue in full legal force and effect.

I confirm that I read this agreement, releasing the City of any liability for injuries or other claims made in relation to allowing the PPD to tap into my private security camera on the date stated herein and understand that, by signing, I surrender my rights freely and voluntarily.

I further understand that the terms of this agreement are contractual and not a mere recital, that the agreement was signed and/or accepted electronically freely and voluntarily and that I harbor no doubts about the content and legal effects of affixing my signature and/or agreeing electronically hereto.

By signing, it is my intent to bind the members of my immediate family,
my successors, heirs, and legal representatives.
